2017 Food Vendor Information Sheet

GENERAL INFORMATION

Thankyou for your interest in becoming a food vendor at the 2017 Goodna Jacaranda Festival. Please fill out the form below and submit it to food@goodnajakarandafestival.com before 30th June 2017.

Food vendors are allocated based on the frontage required, so please indicate on the form the total frontage of your particular setup. Plenty of space is provided back of house, so depth is not normally a concern, however if you need especially large amounts of back of house space please let us know when applying.

Space is supplied @ \$180 per metre. Please provide required frontage including any draw bars.

Power is provided via on field mains power. Supply is limited and is allocated on a first come first served basis.

Only one vendor per cuisine will be accepted.

All applications are subject to approval. The organizing committee reserves the right to accept or reject any application. Successful applications will be notified via email when they are accepted into the program. An invoice will be issued for the site fees at that time and is payable in 14 days.

To submit your application, complete the attached application form and forward insurance evidence via post, email or fax. (Email is preferred)
